Ahmedabad: Senior BJP leader, Mr L.K. Advani, has said the disputed structure at Ayodhya was destined to fall because providence had wished it so.

At the end of his three-day tour of Gujarat, on Sunday he said though the destruction of the disputed structure was not as per the plan there was no other option left for the kar sevaks against "unending provocations by the government and others concerned".

Asking Muslims to repose faith in the BJP as it was the only party which has not used them as its vote bank, Mr Advani said if the BJP comes to power at the Centre then it would make the country riot-free.
